

## Pauly Fenech

After being locked down with the rest of the world for so long, Logie winning Pauly Fenech braves the threat of a border closure and dares to tour his Comedy Spectacular throughout Australia from June 2021. It's time to get out there again! Not even a pandemic can hold Pauly back!

It is a bourbon fuelled Bogan subwoofer bonanza of comedy! Crowd games! Parody songs! Stand-up comedy and never seen before footage to create a unique 2-hour multimedia comedy experience. His alter egos Pauly & Franky Falzoni will be breaking all the rules and unmasking every covidiotic story from 2020. Nothing is sacred. The wildest comedy show you know you need now more than ever!
