Re: The Pushworth Group

Thank you Manny and the Pushworth Group!

During the devastating bushfires at the start of the year, I had an idea to host an appeal to raise money for our southern neighbours. With very short notice, we created the Redlands Relief Fire Charity Concert which was held on the 7th February.

On contacting Manny, from the Pushworth Group, Manny coordinated headline acts to perform and together, we generated thousands of dollars that went directly to victims on Kangaroo Island. He even donated his time to attend the event, to ensure that everything went smoothly!

I'd like to personally thank Manny, for his assistance, professionalism and enthusiasm.

There is no doubt that without the Pushworth Group and Manny's help, the charity event wouldn't have been the success that it was.

Kind Regards
